There have been no aircraft stationed at or operating from Laifeng (N 29-34, 25X1  
E 109-24) Airfield since the area fell to the Communists. The airfield is  
approximately two kilometers wide from east to west and four kilometers  
long from north to south. Except for a footpath, grass covers the field  
and cows are grazing there. Houses at the edge of the field are falling down.  
Part of the land at the edge of the field is being cultivated.
